

The **Joey Pizzano Memorial Fund (JPMF)**, dedicated to “improving the lives of children with special needs and their families” has committed to build an aquatic playground to be maintained and operated by the Fairfax County Park Authority at no cost to the individual. JPMF provides networking, funding and equipment for unique programs, and community awareness for individuals with disabilities. In 2001, the award-winning **JPMF Splash** program was established, teaching children with special needs how “to be safe and have fun in and around the water”.

SPECIAL KIDS SPECIAL FAMILIES

Our Special Harbor Sprayground, is a fully-accessible theme park inspired by Joey’s love of the Chesapeake Bay. It serves as a sensory and creative destination, encouraging all children to embark on a water adventure in a safe zero-water-depth environment. Our Special Harbor is uniquely designed to encourage interaction and provide families and children of all abilities a place to play and have fun together.

JPMF relies on contributions from individual donors, local businesses, and charitable foundations that support its mission of “improving the lives of children with special needs and their families”. Please note that donations may be tax-deductible pursuant to Section 501(c)(3) of the Internal Revenue Code and the JPMF Nonprofit Federal ID #541912956.
